25. COMMITTEES

(j) All committees of reference, as listed in (a) above, shall observe the following rules of procedure:

(3) After a committee of reference has taken its final action on a measure, the chairman of the committee shall make a report of such action to the chief clerk of the House within three legislative days, and the chairman shall not delay or withhold making or signing such a report. For committees that meet on Wednesday or Thursday, the chairman shall have two legislative days in which the general assembly is in actual session to make such a report rather than three legislative days. **However, during the last three days of a legislative session, the chairman of the committee shall make any committee of reference report as soon as possible.** Final action shall consist of reporting a measure out of committee, with or without amendments, for consideration by the committee of the whole, a recommendation for reference to another committee of reference, or postponing the measure indefinitely. A motion to postpone consideration of a measure for more than 30 days or until a date beyond the date for adjournment sine die of the legislative session shall be considered a motion to postpone indefinitely. In addition, a measure shall be considered postponed indefinitely when there has been a tie vote on a motion that would constitute final action and the applicable deadline for House committees of reference to report bills has passed without action by the House Committee on Delayed Bills to extend the deadline for the measure. The chairman shall make a report to the chief clerk of the House indicating that any such measure is deemed postponed indefinitely. Following the date of the applicable committee deadline, the chairman shall have three legislative days in which the general assembly is in actual session to submit such report.
